

Bassoon Anthem

for 2018 - Year of the Bassoon

This music can be used with the backing tracks available to hear on-line at www.laurenceperkins.com

There are two versions of the backing track: (1) without the solo part, so one player can play the bassoon 1 part

(2) without the solo part or bassoon backing parts, so a bassoon quartet can play to the basic backing track.

PERFORMANCE and COPYRIGHT: This music is being offered for free PDF download, and may be used with the backing track for public performance without profit, in line with the 2018 project's aim of promoting the bassoon. There is copyright control on this music - unauthorised file sharing, publication or performance for profit is prohibited. Please respect this - and enjoy playing and sharing this music as part of this 2018 project to promote the bassoon!
